

Kinney Connection

May 22-26,
2017

Reading - I will continue (and hopefully finish) reading *The BFG*. The kids have enjoyed it so far. I have a cartoon version of the story that I will be showing them. If you have the latest one, we would love to watch it at school one day.

Language - Contractions

Math - We continue with measurement. This week we will learn about area and perimeter. Then we will measure with inches, feet, and yards.

Social Studies - We will be working in our Social Studies consumable to review all the skills that we have learned this year.

Science - In Science we will be learning about animal adaptations. We will learn how parts of an animal's body help it survive in its environment.

Spelling - Our test will be May 28th.

Dates Continued

June 1 - Last day of second grade
Early release 11:45

For Your Information

Field Day is Friday, May 19th. You are welcome to come and watch your child participate. Our time is 10:15-12:00. We have lunch after that. Second graders are asked to wear their Squad Shirts for the day. Tennis shoes are recommended too. It is always a fun day for everyone.

I will not be at school on Thursday or Friday. My dad is receiving an award on Thursday night in San Antonio.
